

Dear Parents/Caregivers of existing and new families to Milford Primary School

PLEASE ACCEPT THIS INVITATION TO COME ALONG & JOIN THE MILFORD SCHOOL PTA NEXT MONDAY NIGHT (27th FEBRUARY). THE MEETING WILL BE HELD IN THE STAFFROOM AT 7PM (Wine & Cheese provided)

What is the PTA all about?

The PTA is a group of parents along with the Principal and teachers' representative who believe that the relationship with the school and parents is fundamental. It is not all about fund raising but it is about providing our children with the opportunities to have a fulfilling school life and to give them an excellent base for further education. We also take an active interest in the school, aligning the PTA's efforts to contribute to overall continued success of Milford Primary School.

Who can attend these meetings?

All parents / teachers can attend these meetings whether new to the school or parents with an existing child or children.

Why does the PTA need you?

The **PTA along with existing & new members** are required to help the running of PTA events. These events happen throughout the year with the money raised being invested back into the school. The PTA group also share any bright ideas that will help school along the way. Most importantly - the PTA is about **having fun and meeting other parents** of the school.

PTA Opportunities

This year the PTA is seeking nominations for Chairman, Treasurer and Secretary. Please advise Jenny Gutry (School Office) by Monday 27th February whether you would be interested in any of these positions. Jenny's email address is admin@milford.school.nz

We are always keen to welcome new members. Please complete the form attached and hand back to the school office (no later than 27th February) so that we can have an up to date database of members and interested parents.
